

8 CAL CLEAN ROOM ARC FLASH KIT

Oberon Clean Room Arc-Rated Garments protect against arc flash hazards and electrostatic discharge. These garments are designed to meet specific cleanliness requirements for clean room environments. They are particle-free and made from non-shedding materials to prevent contamination of the environment.

These garments may be worn by workers in industries such as semiconductor manufacturing, pharmaceuticals, and electronics assembly, among others. They are designed to be comfortable and breathable while providing the necessary protection and cleanliness required in these sensitive environments.

Made from flame-resistant Nomex fabric, Oberon Clean Room Arc-Rated Garments meet ANSI/ISEA 125 Level 2 Conformity and Arc Flash PPE Category 2 standards with an arc rating of 8 cal/cm² and 12 cal/cm², respectively.

Please refer to **NFPA 70E** or **CSA Z462** Standards for specific selection requirements.

KIT INCLUDES:

- Clean Room coveralls
- Face shield
- Hard cap
- Balaclava
- Booties
